# Exciting water adventures with Watergames & More inflatables

Just imagine a sun-drenched day by the waterside. Laughter and screams of joy fill the air as children and adults have fun on colourful play equipment. They bounce on water trampolines, ride high inflatable slides, climb challenging walls and struggle to keep their balance on obstacles – all floating on the cooling water.

This is the magical realm of inflatables. It is where aquatic fun and adventure combine to create unforgettable memories. We at Watergames & More make it all possible with high-quality inflatables. The ideal addition to any pool or water park. What are you waiting for?

## What are inflatables?

Inflatables are air-filled play equipment for use on water. Designed to provide heaps of fun and adventure. Clambering, jumping, balancing, running, sliding. It's all possible on this equipment, which comes in different shapes and sizes. Think water trampolines, slides, climbing walls and obstacles.

Inflatables entertain and challenge people of all ages. Besides heaps of fun, this floating play equipment also promotes exercise and physical challenges. A great way to keep fit therefore. The ideal choice for families, groups of friends and other guests of your water park or swimming pool.

## Watergames & More: who are we?

We at Watergames & More specialise in aquatic adventures. Founded in 2008, our family-run business has over fifteen years of experience in providing high-quality waterslides and play equipment. We endeavour to provide unforgettable aquatic fun for both young and old. Time and again, we put broad smiles on the faces of the young and old alike, and we do so with pride and passion.

As dedicated professionals in the water recreation industry, we are well acquainted with our customers' needs. We strive for nothing less than the highest levels of quality and safety. When you choose to

do business with Watergames & More, you opt for experience, reliability and innovation. We carry out a large part of the production process in house for this reason. In addition, we collaborate with reliable, high-quality partners.

Engage Watergames & More to boost the value of your swimming pool, water park, recreational site or public space. From spray parks to spectacular waterslides, from appealing paddling pools to challenging water play structures and inflatables. We are exactly the right place to come for unparalleled aquatic fun.

## Union Aquaparks: supplier of quality

Watergames & More is a Union Aquaparks supplier. This leading brand's water play equipment is renowned for its exceptional quality, durability and innovation. Exactly the values that Watergames & More also stands for.

What sets these inflatables apart is not only the use of high-quality PVC fabric, but also their modular design. This implies that they can be readily rearranged, combined and interchanged to create a unique course. Union Aquaparks' inflatables are therefore suitable for both indoor and outdoor water. They are also ideal for indoor pools.

## Quality product for sustainable fun

We at Watergames & More set great store by the quality and safety of our products. Union Aquaparks' inflatables are made of TÜV-certified PVC fabric. This vouches for their durability and long-term use. The fabric's added UV protection and mildew resistance render the inflatables resistant to the elements and ensure they remain aesthetically pleasing in the long term.

Moreover, the inflatables' drop-stitch seams ensure they retain their pressure. This implies that they remain highly sturdy and stable, even under high pressure. Safety is also a priority, as witnessed by their non-slip textures and smart design elements to avoid the risk of entrapment.

## Bespoke course

One of the Union Aquaparks inflatables' outstanding features is their versatility. With over 35 items of play equipment to choose from, we can create a bespoke course to suit all your needs.

Whether you require a challenging obstacle course or a relaxing trampoline experience. Inflatables enable you to offer 30 to 250 people at a time an unforgettable experience on water. The flexibility to rearrange the sequence of the play equipment enables you to keep your water course lively and exciting.

**UNION** AQUAPARKS

## All the more reason to opt for a Watergames & More's inflatables!

- TÜV-certified
- Exceptional quality and safety in collaboration with Union Aquaparks

- Over 15 years of experience in quality, durability, safety and aquatic fun

## Considerable power of attraction to any audience

Inflatables have an undeniable appeal to young and old alike. Their vibrant blue and white livery and striking dimensions render them instantly recognisable and intriguing. An appealing eye-catcher for any swimming pool or water park!

Be it children in search of adventure, thrill-seeking teenagers, or adults who just want to relax and have fun: inflatables attract attention and arouse curiosity. They significantly increase the fun in your pool or water park. And as an added advantage: very little effort is required to set up and deflate inflatables again.

## Unforgettable aquatic adventures with inflatables

The inflatables supplied by Watergames & More enable you to lend additional fun and excitement to your swimming pool, beach or water park. Your guests are therefore bound to have an unforgettable experience. Don't wait any longer. Add a touch of magic to your site with high-quality inflatables from Watergames & More. Create a play paradise on the water that your guests will want to experience again and again.

## Pool collection

The pool collection consists of standard courses that fit into a 25m swimming pool. The courses contain light elements that require a water depth of 2m or less. Prefer to use a different inflatable? That's possible, ask us about the possibilities!
